FOOD PARCEL APPEAL 2023

300
FOOD PARCELS

Give a little. Help a lot!

Dear Oasis Friends and Supporters,

It's that time of year when we appeal to you to share your love with the people of Oasis. Most of us can't begin to imagine this, but hundreds of intellectually disabled individuals are living in households struggling with food poverty.

In addition to the developmental opportunities and care that Oasis provides, we also feed hundreds of people five days a week, every week. During the year-end break, we need to ensure that these same individuals do not go hungry.

This marks the 15th year that we will be distributing your love in generous food parcels to provide care and nourishment for 300 beneficiaries. We all know that the cost of food has skyrocketed, and this year, each parcel will contain nearly R800 worth of food, toiletries, cleaning materials, and a few treats.

If you could donate a few individual food items or any amount of cash, you would touch the hearts and fill the tummies of our Oasis beneficiaries.

**Please share our food parcel appeal with your groups.
Together we can do so much more.**

Kind regards

Gail Bester
